Anti-Discrimination Advisory Services

Discrimination is:

The devaluation or unequal treatment of people on the grounds of characteristics or attributes, such as colour, origin, language, gender, sexual orientation, religion, age, disability, appearance, social status

Who do we help?

Anyone who experiences discrimination, either directly or indirectly

What help do we offer?

- We listen
- We encourage you to stand up to discrimination
- We inform you about your rights
- We work out strategies and responses with you (letters of complaint, mediation, legal action, etc.)

Our principles

- Everything you tell us is treated with confidentiality
- We are on your side!
- We don't do anything you don't want!
